TIME COMMITMENT

PGCE/PGCert courses are intensive and challenging training courses but lead to a highly-regarded professional qualification and a rewarding career in teaching.

PGCE courses start in every 5 months.
PGCert courses starts in every 2 month.

CAREER PROGRESSION

The structure of our PGCE includes both school-based and professional learning. Studying a Primary PGCE with TILTI means that you will spend a significant amount of your time in learning primary school teaching.

On our Secondary PGCE, around two-thirds of your time will be spent in secondary schools practices and requirements.

On our PGCert Courses you will experience & learn about school based leadership challenges & school management skills.

PGCE PRIMARY/ SECONDARY

ABOUT PGCE PRIMARY

Our PGCE primary will train you to teach children across the 5-11 age range in all primary single National Curriculum subjects, with the option of a specialized pathway focusing on Maths, English, Science & Urdu.

Our course is a blend of sessions and practical training with partner schools.

On completion you will receive a certificate for qualified teacher, enabling you to apply for primary teaching jobs across Pakistan.

Your sessions will cover education theories, ideas and concepts, and will enhance your awareness of current educational issues, and your training in schools will teach you the application of these, along with key practical skills.

You will spend a significant amount of time studying the core subjects of English, Urdu, mathematics and science, as well as religious education, physical education, history, geography, art, music, and design and technology.

PGCE Primary

Duration: 5 months

Our general PGCE primary will train you to teach children aged 5 to 11 in all primary school who follow SNC.

PGCE Secondary

Duration: 5 months

Our general PGCE secondary will train you to teach secondary school who follow SNC (Single National Curriculum).

ABOUT PGCE SECONDARY

A PGCE secondary course will train you to become a secondary school teacher, specializing in a particular subject.

It will prepare you to teach the National Curriculum and related national strategies, SSC & HSSC/IGCSE/O-level, A-level.

On completion you will receive a certificate for qualified teacher, enabling you to apply for secondary teaching jobs across Pakistan.

- Spend time in developing your practical teaching skills.
- Observe and teach classes under the guidance of an experienced teacher.
- Get support from a mentor in lesson planning, marking and assessment skills.

Training sessions will enable you to reflect on teaching methods, which you can apply and develop during working in your schools and colleges. We will help you to transform your subject knowledge into teaching skills and educational theory into practice.

You will be given the opportunity to develop your own teaching style, to set personal targets, to demonstrate initiative and to evaluate your work in planning, teaching and assessing.

ABOUT THE COURSE

This programme covers the major elements of teacher leadership and learning in schools and is designed to provide teachers with a critical understanding of the principles underpinning (teacher / middle) leadership and management. It will create structured and coherent opportunities to apply these principles to your own practice.

WHY THIS PROGRAMME

The programme adopts research-informed, enquiry led approaches to develop competence and confidence to lead teaching and learning to achieve the ambitions of Curriculum for Excellence. There is a focus on collaborative learning, drawing upon your own experiences and those of your academic colleagues.

- This programme is designed for teachers who wish to develop skills and knowledge as a leader of learning.
- You will develop your skills as a leader of learning in the classroom and beyond.
- The opportunity to deepen your knowledge of pedagogic/teacher leadership.
- You will be able to progress into a leadership role in an education setting.

PROGRAMME STRUCTURE

The programme will contain two courses. Each course combines a taught element, an online learning element and an assignment, drawing from your work in school.

Core courses

- DEVELOPING AS A LEADER
- LEADING A PROJECT (TEACHER LEADERSHIP)

CAREER PROSPECTS

As PGCert certificate holder you would have all the necessary attributes to enhance your practice as a leader of learning and will develop capabilities required for a leadership role within schools.

ENTRY REQUIREMENTS

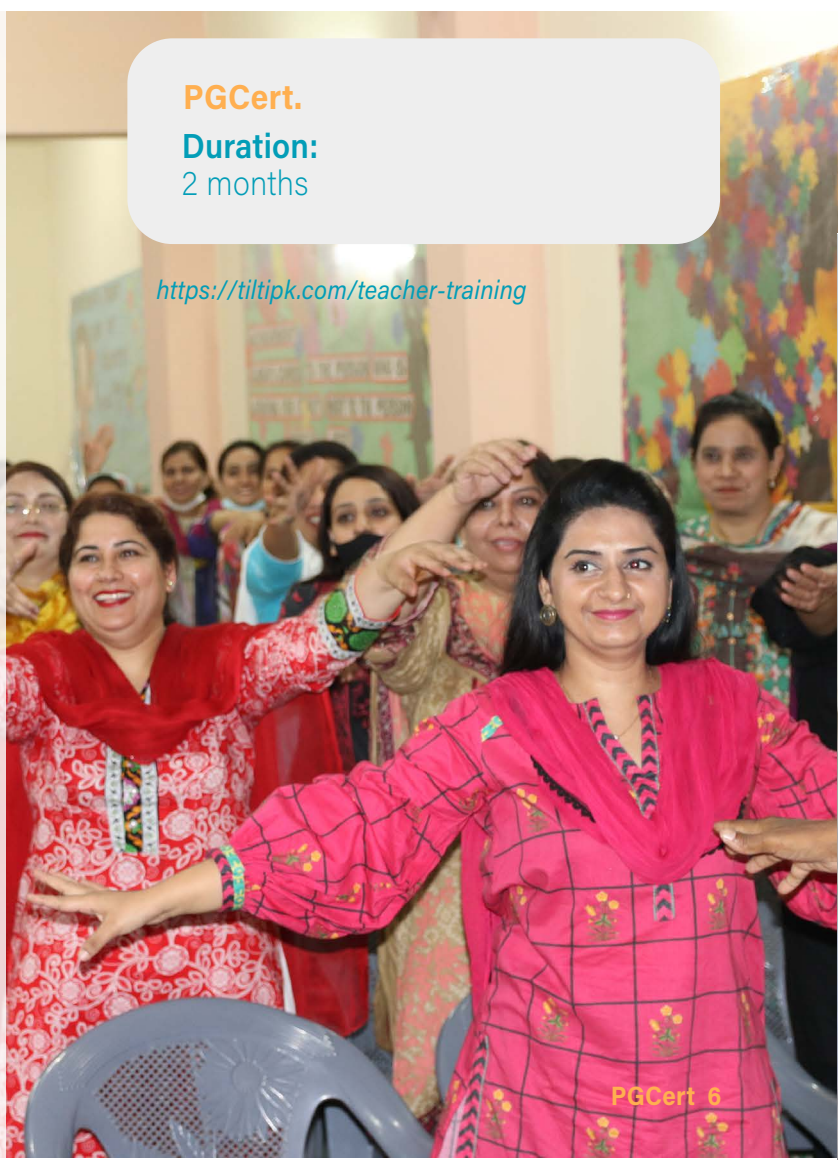

This is a part-time programme for practicing teachers and professionals who want to take the leadership role in education sector.
